

THE PUGET SOUND ROCKET

Newsletter of the Puget Sound Olds Club

An Official Chapter of the Oldsmobile Club of America

August 2016

Best of Show! Robert Kruse's 1971 Delta 88 Royale Convertible took top honors at the 2016 Northwest Zone Show.

On July 9, 23 Oldsmobiles and their owners gathered on the show field at Frances Anderson Center in Edmonds. While it was a cool day with threatening rain, it was a pleasure to be back at the scene of many Zone Shows in the past. It was also great to have three new attendees with their Olds attending the Zone Show for the first time.

Many residents from the surrounding area stopped by to view the Olds on display. They expressed their pleasure in having our show back in Edmonds. A list of the category winners is on page 5 of the newsletter.

President's Message

PSOC Members,

On July 9, the Puget Sound Olds Club returned to the Frances Anderson Center in Edmonds after several years at the Country Village in Bothell. 23 Oldsmobiles were on the show field including several cars that had never been to our show before. The threatening weather might have kept more of our chapter members at home. The day was cool and the only rain was near the end on the show for about 10 minutes. It was really more of a mist than a real rain storm.

The three Olds attendees that had not been to our show before expressed an interest in joining the PSOC. Also, throughout the day, many people living in the Edmonds area attended the show and stated they were glad to have us back.

On August 6, we will be attending the Rhodes River Ranch show in Arlington. This show will replace our usual monthly meeting. It is National Root Beer Float Day and host Robert Kruse said he is expecting a large turnout. Let's have a great turnout of PSOC members. Your editor attended the show last year and it is a great show!

See you at the RR Ranch Show.

Ed Konsmo

President

DEADLINE FOR SUBMITTAL TO THE NEWSLETTER:

Information to be considered for submittal in to the newsletter needs to be received by the 25th of the month. Please send your information as an e-mail or attach it to your e-mail in word document form. If you have problems or questions, call Ed or Pam at 253-845-2288. Please e-mail your submittal to: ekonsmo@msn.com
