

# THE PUGET SOUND ROCKET

## Newsletter of the Puget Sound Olds Club

An Official Chapter of the Oldsmobile Club of America

August 2013

On Saturday July 20, the Annual Pacific Northwest Zone show took place at the Country Village in Bothell. Nearly 40 Olds enthusiasts displayed their cars with their freshly polished finishes glowing in the sun. Pictured above is Robert Kruse and his 1971 Delta 88 Royale convertible which was voted the "Favorite Car" of the Zone Show. Once again the weather man favored our Olds Club with sunshine, even if it took awhile to show up in the day. At least there was no rain this year!

We would also like to welcome several new chapter members who completed their applications at the show. Look for their names in the Between the Bumpers column. Hopefully, they will be able to join us at our regular monthly meetings.

## President's August Message

Dear Club Members,

Well, it looks like most of the car shows are done for the year. We've had a great summer, all that sun – we just loved it.

We recently had a car show in Stanwood. There were six Oldsmobiles out of 625 entrants. Guess what? All six Oldsmobiles got trophies! Ned's car was one of them – way to go, Ned.

We also attended a Colby car show where there were five Oldsmobiles – once again Ned came through. He's been doing so well this summer. I've been disappointed in the Oldsmobile turnouts. I think we need to talk to our kids! Let's get these young ones interested in old cars – especially Oldsmobiles.

I'm still looking for club car/and member photos. I'd like a write up including when you purchased your car, how you found the car and any other tidbits you'd like to include. A single page would be great.

I'd like to suggest to all meeting attendees to give thought as to where we might cruise after our September meeting. Who knows what the weather will be like in October and the following months. Let's drive 'em while we can.

***Nina Rogers***

President
