## EDITOR FAREWELL

By John Lamb

This newsletter will be my last as the editor of "The Puget Sound Rocket". The ability to use the power awarded to me by the United States Constitution "Freedom of the Press" has been a great ride. My thanks to everyone who contributed articles and information. My thanks also for putting up with "typos" and sometimes dumb humor. I hoped you were kept informed of club events and functions. The "pen and quill" has now been passed on the Ed Konsmo. I hope you will help him in anyway you can to make our newsletter a special publication. As the curtain falls on this chapter of my journalistic career and ink dries on the parchment (wow-where did that come from! ) I bid you ado.

**GOOD NIGHT AND GOOD LUCK!**

Dear Dave:

Thank you for your generous contribution of \$50.00 to The Forgotten Children's Fund. Your support is greatly appreciated by the volunteers and by the many children who have had a better Christmas because of this program.

This past year we were able to provide a brighter Christmas to over 2,808 children in about 779 families. Each child received a new, warm coat or jacket, three individually selected and wrapped gifts, a Christmas stocking filled with gifts, all delivered by Santa and his many Elves. Over 600 bicycles were given out along with food boxes and gift certificates.

It is with support of people like you, that this program is possible. **THANK YOU**, you are the real Santas.

*No goods or services were received for this donation.*

Sincerely,
