Hi all,

It's summer time, well at least by the calendar it is. Now all we need is for the weather to cooperate. We had a great June meeting, cruise, car show with free lunch. For those of you unable to attend, you missed out on a great time. Jane and I picked up Hugh in Seattle placed him in the back of the '57 and off we went down I-5 across the Narrows Bridge and to Larry's place of business where we met the rest of the group.

The weather turned out alright, cool until the afternoon but no rain. Lots of cars showed up including a '57 Fiesta wagon and a '57 88. The Fiesta wagon was a mild custom with a 455, custom paint and interior along with rack and pinion steering. The 88 was as just about as basic as you could get, original paint, standard brakes, radio delete. Both were non-member cars. We introduced our selves to the owners and invited them to our car show where we can gang up on them to join. Larry did a fine job of taking care of us including having a new club banner made which he will bring with him to the car show.

The meeting was short so we could all enjoy the show. After the show Jane, Hugh and I joined up with Ed and Kathie and cruised to Kingston where we caught the ferry to Edmonds. All in all it was a great day.

Remember no meeting in July because of the car show. However there will be a stuffing get-together held at the Newport Library on the 10th of July. We have the room from 1:00 to 3:00 pm.

See you there or be square.

Regards,

Pat Ellwood

"BETWEEN THE BUMPERS" ... By Ed Konsmo

Greetings, Oldsmobile Club of Puget Sound!

The [34th Annual LeMay Car Show](#) is coming up on **Saturday, August 27th, 2011** - This is the one day each year when the public is invited to enjoy the amazing LeMay Family Collection at Marymount and at the LeMay home grounds + the chance to see hundreds of collector cars from local enthusiasts, and enjoy a vintage vehicle swap meet and car auction. This show is being put on by, and will benefit, the [LeMay Family Collection Foundation](#), and since your car club has participated with us in the past year, we'd like to invite your club to be part of our Car Club Corral at Marymount as part of our annual show. There is no extra charge to participate in the special Car Club Corral area – clubs simply pre-pay General Admission (\$10 per person) for their vehicle owners, and they get premier, reserved parking for their club's vehicles to park together to showcase their car club + dash plaques.

If your club would like to participate in the Car Club Corral, please call **253.272.2336** or send the following info (payment & info mailed to: 325 152nd Street E., Tacoma, WA 98445):

- **Name of Car Club**
- **Point of Contact / Club Organizer: Name, Email, Phone, Mailing Address**
- **Number of Vehicle Spaces**
- **Payment Info** (\$10/person – Payable by check, cash or credit card: VISA / MasterCard / Discover)

Please don't wait!...This year, our **Car Club Corral Space Reservation Deadline is August 1st, 2011**, so any car clubs who contact us after that date may not be allocated space. Of course, you are welcome to purchase additional admission passes for passengers accompanying car club vehicles at the gate on the day of the show, so please be sure to encourage your friends and family to attend this annual event!

(Also... we are already reserving car club spaces for our [Halloween Trunk-or-Treat](#) event on October 30th – please let us know if your club would like to participate at this event!)

Thank you!

LeMay - America's Car Museum Sets Grand Opening for May 19, 2012

Exterior construction is nearly three-quarters completed on museum project, which spotlights 'America's love affair with the automobile' and is projected to annually provide \$34 million for the local economy.

From Wedding Bells to Concerts, ACM's the Place for Special Events

Corporate, community and private event planners can now reserve dates at our 165,000-square-foot museum. Museums are sometimes perceived as one-dimensional, somewhat stuffy environments. Conversely, ACM is designed to be "a vibrant nine-acre campus that compels people to return over and over," says David Madeira, ACM president and CEO. "It's not just a museum building."

Accordingly, Madeira recently announced that ACM has begun accepting reservations for corporate, community and private events. "Imagine getting married in the shadow of a Duesenberg collection or holding an annual meeting surrounded by muscle cars," says Madeira. "Our Museum mission is to be at the heart of the world's car culture. Simultaneously, our campus is designed to create a memorable atmosphere by utilizing our banquet facilities, café and theater. We've even got a 3.5-acre outdoor show field where we're planning to host concerts, car shows and large civic events."

Designed with enough space to tell the story of America's love affair with the automobile, the Museum will be able to accommodate groups from five to 2,500 people. The Museum will also have more than a dozen individually configured, ADA-compliant event spaces, including the Grand Gallery, with a 500-guest capacity and outstanding acoustics for concerts; the Banquet Room to host business events such as board meetings and conferences; the Cafe

venue for smaller events and gatherings; and the expansive outdoor Show Field for hosting concerts, festivals and civic events.

Event organizers interested in hosting an event at ACM can visit our website for more information or contact Sandy Scott at 253.779.8490 or email sandy.scott@lemaymuseum.org.
