## Newsletter of the Puget Sound Olds Club

An Official Chapter of the Oldsmobile Club of America

May 2017

### **The Greenwood Car Show is next month!**

We are just weeks away from the June 24 date for the Greenwood Car Show. As has been reported in previous newsletters, the Puget Sound Olds Chapter has committed to 15 spaces in the 2017 show. Last year 10 chapter members attended the show. A few of them are pictured above. We only need five more members to fill our commitment. The application for the show is on page 10 in this newsletter. Please send it to Kathi at the chapter address, not the Greenwood address. The chapter paid for the spaces in advance.

We have been working diligently with the Buick and Pontiac clubs to fill the remaining 25 spaces on the block between 81<sup>st</sup> and 82<sup>nd</sup> on Greenwood Ave.

Included in this newsletter are the posters and applications for the events that the Puget Sound Olds Club is either sponsoring or participating in this year. It would be great to have the support and attendance of as many of members as possible.

## President's Message

PSOC Members,

We will once again be meeting at the Plum Delicious Restaurant in Renton. For the first three meetings of 2017, this was our meeting place. For our meeting on Sunday, May 7, all of the King County Libraries were unavailable. We will meet at our usual time of 1 pm. Please join us for lunch. If you are not familiar with the location of the restaurant, directions are in this newsletter on page 3. The food is great! In June, we will meet on Sunday again at one of the local libraries.

Our chapter made a commitment to 15 spaces at the Greenwood Car Show on Saturday, June 24. If you do not attend our chapter meetings and plan to go to the show, would you please complete the application on page 10 and send it to Kathi with your entry fee? This is a great show! You do not want to miss it.

We will be presenting a report on chapter membership at the May meeting. If you still have not renewed for 2017, you can find an application in this newsletter on page 17. Please take a moment to complete the form and send it to Kathi.

*See you at the May meeting.*

**Ed Konsmo**  
President

**DEADLINE FOR SUBMITTAL TO THE NEWSLETTER:**

Please send your information as an e-mail or attach it to your e-mail in word document form. If you have problems or questions, call Ed or Pam at 253-845-2288. Please e-mail your submittal to: [ekonsmo@msn.com](mailto:ekonsmo@msn.com)

## “BETWEEN THE BUMPERS” ... By Ed

**How old’s old enough?** States consider revising criteria for antique vehicle registration. While one state legislator’s attempt to restrict the definition of antique vehicle has been negated, another state legislature intends to do something similar, rolling back the cutoff date to 30 years.

Connecticut’s proposed changes to its rules for registering antique cars, buried toward the end of [H.B. 7050](#), An Act Concerning Enhancements to Municipal Finance and Accountability, would make two significant changes. First, it would amend the state’s definition of antique, rare, or special interest motor vehicle **from those 20 years or older to those 30 years or older**; second, it would lift the state property tax cap on antique, rare, or special interest motor vehicles from \$500 to \$1,000. Any vehicle registered as an antique before October 31 would be grandfathered in under current 20-year cutoff.

Current state law in Connecticut defines antique, rare, or special interest motor vehicles as those “being preserved because of historic interest and which (are) not altered or modified from the original manufacturer’s specifications.” Any motor vehicle in Connecticut is subject to annual local property tax rates on 70 percent of its average retail value; only antique vehicles benefit from a property tax cap.

Rolling back the cutoff date would thus reduce the number of collector car owners in the state who could take advantage of the antique vehicle tax cap and in turn (and in combination with the lifted tax cap) increase revenue for the state.

Introduced earlier this month, H.B. 7050, part of the governor’s budget recommendations, has been sent to the state’s Joint Committee on Finance, Revenue and Bonding.

The Connecticut attempt to redefine antique cars comes on the heels of Arkansas’s [H.B. 1547](#), a bill that would have changed that state’s cutoff date for antique vehicle registration **from 25 to 45 years old, had the legislator who suggested it not withdrawn the bill.**

While current law permits a one-time registration fee of \$7 per antique vehicle in Arkansas – as opposed to a \$23 annual fee for non-antique vehicles – Representative Jack Fortner’s intent for H.B. 1547 seemed less to increase state revenues (as SEMA argued when it described the bill as a “cash grab”) and more to align state law with his personal definition of antique.

The intent then was to honor and respect the collector-car hobby and vintage cars,” Fortner, a collector car enthusiast himself, told Arkansas Online. “I don’t think anything good happened in the auto field after ’72.”

KATV reported that Fortner, who introduced the bill last Tuesday, withdrew it on Friday after a wave of backlash against it.

**Editor’s note: This article simply illustrates that we in the car collector hobby need to be vigilant whenever we hear of a bill in our State that threatens our car collector status.**
